

Kitchi the cat	She would purr, she would give sandpaper kisses, she would sleep next to me, she had many nicknames including “woovie,” “Bingles,” and “Ginger Buggy.”

Donatello, “The Turtle”	I only had my turtle for two weeks and did not get to know it well. One thing I learned is that I did not know how to take care of it. I don’t think I will get another one. I was sad it died.
Quincy Tango	Quincy was a golden retriever. We will never forget the day mom smashed his tail in the car door. Whenever he wagged his tail he flicked off the bandage and sprayed blood all over the house. Tango was a crazy dog, but he especially loved S.
Finny, Taya, Oki, & Fishy	To my buddies. Thank you 4 enriching my life
Squeaky	My hamster was so cuddly. I like to put his face on my face. I played with him outside on the lawn at ba-chan’s place. I have him his bath and fed him. One day I felt a bump on his stomach. Soon after, he died.

Puff, Fred	Fred was the nicest dog-so gentle. Puff was a legendary cat in every community we lived in.
Pikachu	He was a very soft bird and he only had one foot. He got to meet all the Dharma School students and everybody liked him. Our family misses him.
