		<b>FREE SPOT</b>		

Using the number ranges above each column, pick any 5 numbers in that range to fill in the squares below each letter to create your own I GOT IT (BINGO) card. For example, in the "B" column use any 5 numbers between 1 and 15 such as 1, 5, 7, 10, and 15. Use coins or any small objects for your Bingo markers since the card will be reused for each game.

Prizes will be given for each I GOT IT game!
